St. Mary Catholic Elementary School educates students of all faiths in a safe, nurturing, Christ-centered environment based on our Cherished Catholic faith.

Aug 4, 2026
Dear St. Mary Families,

Welcome back. For those of you interested in after school care we will maintain the same time schedule; immediately after school until 6:00. After school care will not be provided on half days and days when school is not in session. **It will be $12.00 a day for one child. $18.00 a day for a family.**

New this year: Each student will need to bring their own snack each day - snacks will not be provided.

We are also excited to welcome back our dynamic after school staff; Richard Woods, Susan Walz. They will continue to provide an excellent, safe, fun and learning environment for our after school students. .

I look forward to the energy and camaraderie these children provide in the late afternoons!

After School care will begin August 26.

Peace in Christ,

Nancy O'Neill
